1. Purpose and Scope

Australasia Language College (ALC) will have open, fair, clear and transparent procedures that are based on clearly defined entry criteria for making decisions about the selection of all students for admission into ALC's courses.

2. Policy

All students seeking admission to ALC must meet minimal entry requirements: Specific information about courses and their entry requirements is available on ALC's website, www.alcollege.edu.au

As additional ELICOS courses may be added to ALC's scope, it is important that students check the website for the latest version and most updated admission requirements especially for new ELICOS courses.

2.1 General Entry Requirements

To satisfy the General Entry Requirements for admission to an ALC course, an international applicant must meet the following **entry requirements**:

At the time that they commence the course for which they have applied, International students must:

- Be over 18 years
- Understand and write the English alphabet

2.2 Specific Entry Requirements

AUSTRALASIA LANGUAGE COLLEGE

CRICOS:02966G

- In compliance to Standard 2.2 of the National code, Australasia Language College requires all prospective students to complete a [pre-enrolment English](#) test via a link provided on the ALC website <http://www.alcollege.edu.au/about/apply/>.

The **pre-enrolment test** consists of two sections: Grammar and Writing. It is utilized for two purposes:

- To determine and verify the eligibility of the student-applicant for entry into the General English courses, English for Academic purposes courses and IELTS preparation courses.
- To propose an appropriate study duration and road map to the student prior to enrolment for the purpose of successful planning for future studies in Australia.

After the student completes the pre-enrolment test, the results are sent to the student or agent who can then finalise and submit the Application form.

The pre-enrolment test merely offers a preliminary assessment of the student's level and does stipulate that the student undertake a placement test on orientation day.

It is only after completing the placement test that the students are decisively assigned to their classrooms. Students with evidence of English proficiency such as IELTS, TOEFL, CAMBRIDGE etc. are exempted from undertaking the pre-enrolment test.

- For IELTS Preparation and English for Academic Purposes, students need to demonstrate an English proficiency level of General English Intermediate level or higher, IELTS equivalent of 5.0 or higher.
- On their first day of enrolment, all students must complete a Placement Test. Depending on a student's performance in the Placement Test, students will be placed in a class that is best suited to their entry English level.

Students who have enrolled into an EAP or IELTS course, but consequently, do not demonstrate sufficient English language ability after completing a Placement Test will be required to take the General English Course until they have reached an Upper-Intermediate General English level (CEFR = B2) or IELTS 5.5 or equivalent.
